We make a special offer of a very large and grand collection of ORCHIDS, being the very finest species and varieties from our immense stock, and also including many recent purchases. The entire lot are in the very finest health and condition, and all are offered at such moderate prices, as it is hoped will induce purchasers to send in liberal orders.

We have made many special offers of orchids to our patrons, but seldom have we offered a finer lot of them, than quoted in this list. Some idea of the stock will be conveyed when it is stated that many lines in this price list represents hundreds of plants, and this enables us to select only specially fine plants when orders are sent.

We very earnestly invite the inspection of intending purchasers. Purchasers are reminded that they run no risk in sending orders by letter, telegram or telephone, as we supply all orders by telephone, on the distinct condition that should any orders sent, not be found equal to description, they may be at once returned.

All orders shall have our most careful attention.

We also keep in stock a fine grade of orchid peat, live sphagnum moss, orchid baskets, pots, pans, and pot hangers.

# Parcel Post Rates

We can now ship packages weighing 70 pounds to the 1st, 2nd and 3rd zones; 50 pounds is the limit to the further zones. If your order calls for more than 1,000 strawberry plants, or more than 500 cane plants, express will be the best method of shipment.

## How Much to Include for Postage

Locate the zone in which you live on the map above. The figure inside the circle passing through the portion of the state in which your town is located will indicate your parcel post zone. Please write this number in space provided on order sheet. Being careful to figure the amount correctly will save us much time in our office and yourself delay in receiving the plants. If no remittance for postage is included with the order, we will ship by express. From the table below you can readily determine the amount of postage required on your order:

Add to your order for each 100 plants—

	1st and 2nd zone	3rd zone	4th zone	5th zone	6th zone	7th zone	8th zone
Strawberries and Asparagus.....	\$0.10	\$0.18	\$0.22	\$0.30	\$0.36	\$0.46	\$0.55
Red Raspberries .....	.15	.22	.35	.43	.50	.60	.70
Black and Purple Raspberries, Blackberries, Dewberries .....	.20	.30	.40	.65	.85	1.05	1.25
Norway Spruce, Colorado Blue Spruce, Arbor Vitae, each .....	.29	.54	1.00	1.50	2.00	2.50	3.00
Currants, Gooseberries, Grapes, Rhubarb, Barberry, Roses .....	Every 12 plants same rate as 100 strawberries.						
Spirea V. H., Hydrangea P. G. ....	Every 6 plants same rate as 100 strawberries.						
Gladioli Bulbs .....	12 bulbs or less, one-half rate for 100 strawberries.						
Tulip .....	(See page 29)						

It is impossible to always determine in advance of packing just the exact amount of postage required, but the above schedule is very accurate. However, upon receipt of plants, customers will sometimes find that they may not have remitted quite enough for postage, or possibly a few cents too much. If your original remittance was in accordance with this schedule we will not ask you to send any balance due us for postage, and for the same reasons, please do not ask us for any small balance that may be due you.

If no remittance for postage is included with your order, we will ship by express.

**Note:**—If you get more than one catalog, please let us know so that we may correct our mailing list and give you better service.

## B-W-A-N PRICES FOR 1924

Parcel Post Orders must contain an additional remittance sufficient to cover postage, as shown on table on the preceding page. If no such remittance is included with order, we will make shipment by express.

(Note—You will find a price quoted on all quantities of less than 100. You may select 500 or more of a variety at the thousand rate. Amounts between 100 and 200 of a variety at the hundred rate, between 200 and 300 of a variety at the two hundred rate, etc.)
